(d) New Railway Zones are set up keeping in view the factors like size, workload, accessibility, traffic pattern and other administrative/ operational requirements consistent with the needs of economy and efficiency and not on regional considerations. The proposals for creation of new Zones, when seen in the light of these considerations, have not been found operationally feasible.

Doubling of Porbander-Ahmedabad rail line

541. SHRI VIJAY KUMAR RUPANI : Will the Minister of RAILWAYS be pleased to state:

(a) whether Government are aware that people of Porbandar, the birth place of Mahatma Gandhi, are facing many difficulties and have to spend 10 to 11 hours to reach Ahmedabad, the other place having the memories of Gandhiji due to non-availability of double railway track though the distance between two historical places is only 400 kms. approximately;

(b) whether Government are considering any proposal to set-up a double railway tracks between these two historical cities; and

(c) if not, the reasons therefor?
